# Welcoming Spring

## WITH A STYLE & A WIN

**WELCOMING SPRING WITH A JOYOUS MOMENT AS WE STEPPED INTO THE NEW SEASON, OUR TEAM WAS HONOURED TO BE RECOGNISED AT THE CONSUMER FAIR 2025, WHERE WE RECEIVED FIRST PRIZE IN THE LOCAL MANUFACTURING SECTOR.**

While the award is a proud milestone, what made this moment truly special was the shared sense of joy and accomplishment within our team a celebration of the hard work, dedication, and growth we have experienced together.

In the words of our Technical Director:  
“This is not just an award it is a reflection of how far we have come as an organisation. At the heart of our work lies innovation, sustainability, and above all, teamwork.”

To our incredible team thank you for making this possible.

Here’s to a season of new beginnings, continued progress, and the collective spirit that drives us forward.

Looking ahead, our focus is on driving smarter processes, deepening collaboration, and aligning our efforts with the exciting growth and innovations on the horizon for Leeroy Systems. **WE HAD THE HONOR OF CELEBRATING PRIZE GIVING DAY WITH THE AMAZING LEARNERS OF SESHOLO JUNIOR SECONDARY SCHOOL AT THEIR INVITATION TO BE PART OF THEIR ACADEMIC EXCELLENCE CELEBRATION.**

At Leeroy Systems, moments like these mean so much to us. They are a reminder that our commitment goes far beyond technology — it's about investing in people, especially the young minds who will shape the future of our nation.

Being part of this special day allowed us to recognize and celebrate the hard work, dedication, and resilience of learners who are striving for excellence. It was a powerful reminder of why we do what we do — to uplift, to support, and to inspire.

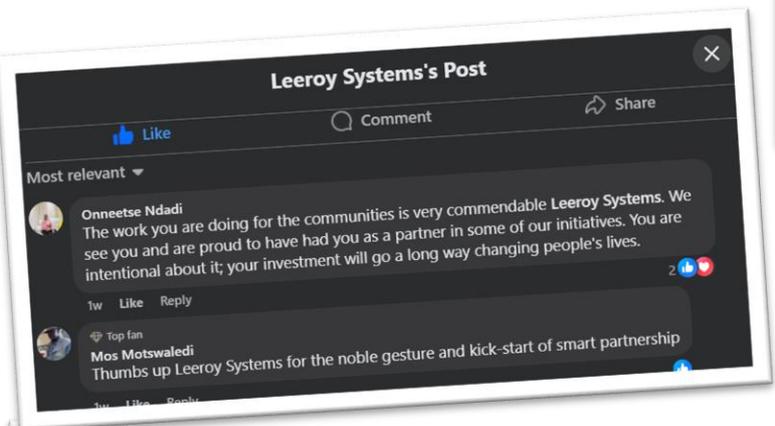

As we gear up for the Independence Day celebrations, this event was a beautiful reflection of what truly matters: social inclusion, building strong communities, and empowering the next generation.

Thank you, Sesholo JSS, for allowing us to be part of such a meaningful day. The future is bright, and together, we will continue to rise!

In her speech, Leeroy Systems CSR & Business Development Manager, highlighted the importance of reaching out towards your goals and using your environment as an accelerator to reaching beyond.

# BOTSWANA @ 59

## *A Reflection for the Leeroy Systems*

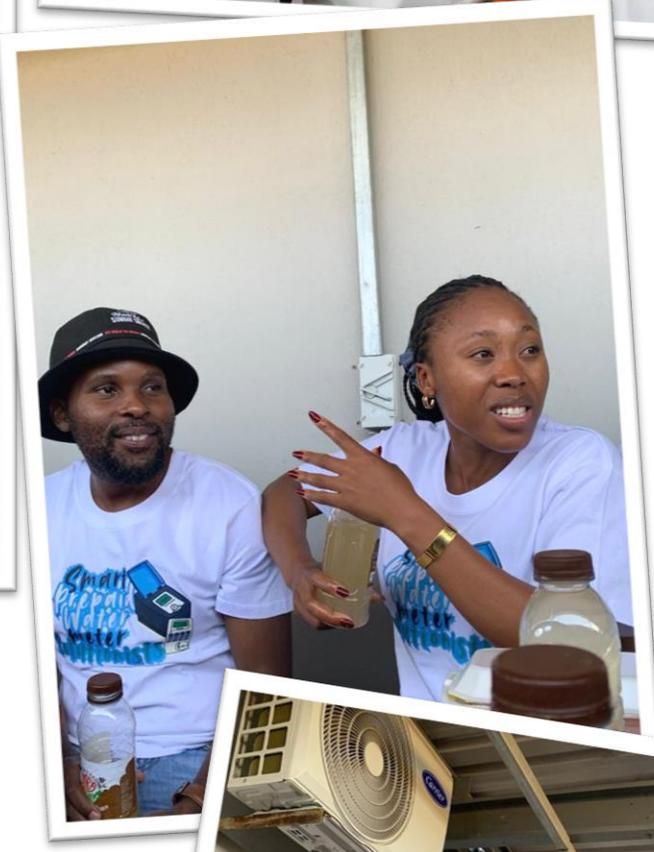

**AS BOTSWANA CELEBRATES 59 YEARS OF INDEPENDENCE, WE TAKE THIS MOMENT TO HONOUR OUR NATION'S INCREDIBLE JOURNEY — A STORY DEFINED BY UNITY, RESILIENCE, AND PROGRESS. FROM HUMBLE BEGINNINGS IN 1966, BOTSWANA HAS GROWN INTO ONE OF AFRICA'S MOST ADMIRED NATIONS, KNOWN FOR ITS PEACE, DEMOCRACY, AND SOUND GOVERNANCE.**

At independence, our country faced tremendous challenges — limited infrastructure, few schools, and a small economy heavily reliant on agriculture. Yet through visionary leadership and the unwavering spirit of its people, Botswana transformed itself. The discovery and responsible management of diamonds laid the foundation for growth, while investments in education, healthcare, and infrastructure uplifted generations.

Today, Botswana stands as a model of stability and good governance, guided by strong democratic principles and long-term planning — from Vision 2016 to Vision 2036. The nation continues to evolve, embracing innovation, diversifying its economy, and empowering its youth to lead in a rapidly changing world.

As a proudly Botswana-born company, Leeroy Systems draws deep inspiration from this national story. Our journey mirrors the country's — one rooted in ambition, perseverance, and the pursuit of excellence.

We are part of a new generation helping to drive Botswana's transition into a knowledge-based, technology-driven economy.

This Independence Day, we celebrate not only our nation’s milestones but also the people who continue to build its future — **you**, our dedicated team. Your creativity, professionalism, and commitment embody the same spirit that has made Botswana what it is today.

Let us continue to honor our country through our work — by innovating with integrity, serving with excellence, and believing in the power of collaboration.

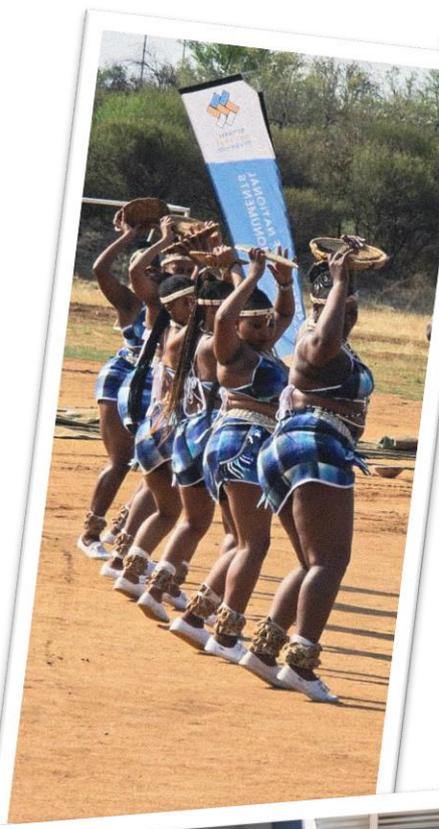

Together, we move forward, contributing to a Botswana that remains united, inclusive, and full of promise.

*Happy 59th Independence Day to you and your families. Pula! BW*
